Snow Day

In the winter it's every kid's dream,
As snowflakes begin to appear,
That suddenly there'll be a blizzard,
And they'll cancel school for the year.

Though most kids are willing to settle,
And I am inclined to agree,
They could merely close school for one day—
One day off would be just fine with me.

A day free from all forms of homework,
A day without science or math,
When you leave all your school books at home—
And run out the door with a laugh.
