# INFORMATION BROCHURE

# FROM THE SECRETARY'S DESK

Albert Einstein has famously said “It is the supreme art of the teacher to awaken joy in creative expression and knowledge”. It is the sacred duty of the teachers to facilitate this awakening through encouragement.

“Nine Tenth of Education is encouragement” goes a popular saying. Encouragement can really do wonders. It can ignite a fire within students to achieve their potential in life, and to even go beyond. The modern concept of Education is “Education is not the filling of a pail, but the lighting of a fire”. Constant discouragement and rebuke can extinguish this fire.

Mahatma Gandhi says “Power is of two kinds. One is obtained by the fear of punishment and other by acts of love. Power based on love is a thousand times more effective and permanent than the one derived from fear of punishment.” Forgive and Forget should be motto of all teachers for small misdemeanours if the student realises his mistake.

To sum up, “The best teachers teach from the heart, not from the book” and “It takes a big heart to help shape little minds”

I congratulate the Faculty, Staff, Students and all well-wishers for record breaking school results in CBSE AISS Examination and CBSE AISSC Examination.

Vidya Vihar strongly believes that students will be better served by a broader vision of education, wherein teachers use different methodologies, exercises and activities to reach all students, not just those who excel at linguistic and logical intelligence. Students bearing other types of intelligence viz. Spatial, Bodily-kinesthetic, Musical, Interpersonal, Intrapersonal, Naturalistic and Existential also need to be groomed

Also, we remain committed to our goal of building both Intelligence and Character. We realize that imparting Excellent education without “moral value components” has the potential to produce notorious criminals.

## LONG VACATIONS FOR STUDENTS

a) Summer Vacation      b) Puja Vacation c) Winter Vacation      d) Session Break for old batches

Vacations are subject to adjustment according to the prevailing situation. Actual Days will be communicated later.

Apart from the declared vacations, a student may be allowed a leave of maximum 6 days in a year for personal unavoidable genuine circumstances, festivals and similar reasons subject to the satisfaction of the Director/Principal. Guardians are therefore advised to plan such personal leave for their wards well in advance, preferably right in the beginning of the session.

Guardians/parents are required to collect their wards personally on the eve of vacations. In case they are unable to come personally, they must send their representatives with proper authority letters duly signed by them. The exact duration of vacation is intimated from time to time. During long vacations boys are required to carry all their personal belongings with them so that the bed lockers/almirahs can be properly cleaned /repaired.

If a boy is detained for remedial classes or for preparation of CBSE Board Exam during vacation, the parents/guardians are liable to pay extra charges for the Boarding and Lodging.

Boys must be present on the closing day before vacation and also on the opening day of the school after vacation. Absence on these days will be considered as a serious breach of school discipline. If a boy does not report on the first day of the new term and his term fee is not received as per fee schedule, his name may be struck off the rolls. Leave application for absence on the first day of the term may be considered only when the term fee is deposited according to the fee schedule and the reason for absence is found genuine.
